1. **SIGN IN**
   Sign in to myap.collegeboard.org using your College Board login. This is the same login you use to access your AP scores, PSAT/NMSQT® scores, or register for the SAT® — or that you used to access My AP last year. If you don’t have a student account, click the **Sign up** link.

2. **JOIN A COURSE**
   Click the **Join a Course or Exam** button. Before you do this, make sure you have the six-character join code from your teacher. You’ll need it to join a class section.

3. **SUBMIT YOUR JOIN CODE**
   Enter the join code your teacher gave you and click **Submit**.

4. **VERIFY COURSE INFORMATION**
   Make sure the information that comes up is for the course you’re taking. If it is, click **Yes**.
**College Board Account Tips**

You need a College Board account to join your AP class section, receive AP assignments from your teacher, and register for AP Exams. If you don't already have an account, please sign up at collegeboard.org/register. Your parents shouldn’t create an account for you. Keep your account information in a safe place only you can access.

**DO YOU ALREADY HAVE AN ACCOUNT?**

All College Board programs are connected through one account, so if you created one for AP, PSAT/NMSQT, SAT, or College Board Opportunity Scholarships, you’re all set. You’ll just need your username and password to sign in.

**IF YOU HAVE TROUBLE SIGNING IN TO YOUR ACCOUNT**

- If you can’t remember your username or password, follow the “Forgot username or password?” links at myap.collegeboard.org to reset them.
- If a family member set up your account, ask them for the login information. You may want them to sit with you while you sign in.
- If you can’t remember the answers to your security questions, see if a family member has them.
